

## Altius Duct Coat

### PRODUCT DESCRIPTION:

Altius Duct Coat is a lagging cloth adhesive and coating for use with insulation on air conditioning ducts. Altius Duct Coat is a acrylic based washable and abrasion resistant and has a neat white finish.

### ADVANTAGES AT A GLANCE

- Water Resistant.
- Superior Flexibility.
- Non yellowing.
- Dirt & Mold Resistant.

### AREAS OF USAGE

Used as both adhesive and coating for lagging cloth for canvas and fiberglass.

### PREPARATION OF SURFACE

Ensure dust, dirt and foreign matter are removed from the surface.

### METHOD OF APPLICATION

Apply a layer of Altius Duct Coat on the insulation surface by brush and place the lagging cloth on the wet surface. Immediately apply another layer of Altius Duct Coat as a final coat and allow it to dry. Clean all tools and equipment with water after use.

### HEALTH & SAFETY

Keep away from contact of eyes and skin by wearing overalls, safety boots, goggles, gloves and mask. For further information, please refer the Material Safety Data Sheet.

### PACKAGING & STORAGE

Product is supplied in 20 Kg plastic pail. Store in a clean dry area, protected from direct sunlight and extreme temperatures (both heat and cold). They have a shelf life of up to 12 months. The oldest material should be used first.
